

Launching in January

## The social care workers' survey

**Social Care Wales will be launching the next workforce survey in January 2024.**

The anonymous survey will ask questions about things like your health and well-being, pay and conditions, and what you like about working in the sector.

Taking around 15 minutes to share your experience will help shape the support Social Care Wales and its partners offer, so don't miss your chance to have your say!
